

Memorandum
DEPARTMENT OF PATHOLOGY AND LABORATORY MEDICINE

To PHC Laboratory Collection Staff

From Willson Jang, *Technical Leader – Microbiology & Virology Laboratory*

Date November 4, 2015

Re **Mycobacteria Blood Culture bottles**

Effective November 4, 2015

Please remove from your supplies (eg. collection carts, stockroom) the bioMerieux black MB BacT/Alert bottles and send them to the Microbiology Lab at SPH.

Use the new BD Myco/F Lytic bottles (red).

OLD PRODUCT		REPLACEMENT/NEW PRODUCT
